PROVIDE 1 FAMILY  
WITH CLEAN WATER  
\$65

Growing a healthier tomorrow,  
starting with clean water.

Water4Life Guatemala envisions lasting access to clean drinking water through sustainable solutions, education, and community leadership in the Lake Atitlán watershed.

Our work includes water filtration distribution, biological water filtration systems, reforestation, and education on health, sanitation, and environmental stewardship while empowering Indigenous women as leaders to drive lasting change in their communities.
